

Limitless Dance Company

September 2019

Fall Issue

Our Story

From the moment I walked into the studio I instantly felt at home. I spent my entire childhood and young adult life in the studio learning, practicing, watching, teaching & being inspired. More hours than I can count was spent thinking about what my future would look like and dreaming about one day owning my own studio. In 2016 this dream became a reality, when Limitless Dance Company opened its doors. Words can not express how incredible lucky I feel to be able to do something that love every day; while also sharing this passion with you and your children. Limitless Dance Company would not exist if it was not for you and for that I am eternally grateful. We hope that dance will inspire your children and we can help them reach their future goals whatever they may be.

Welcome to the Limitless Dance Family!
